

HORIZON

Project Name

Children's Library

Owner/Client

**SER Niños Public Charter
School**

Horizon was awarded the new construction of a 1-story free-standing 6,200-SF library building featuring classrooms, multi-purpose rooms, meeting and office space, workrooms, circulation desk, lobby, reading room, teen reading nook, children's reading nook, a terrace, covered walkways, and ADA compliant restrooms; as well as a new surface parking lot. This project was a Community Development Block Grant and Section 3 funding project which met all federal and local compliance requirements.
