

RESTAURANT

Project Name

KIM SÓN Sugar Land & KIM SÓN Downtown

Owner/Client

Golden Mountain, LP

SUGARLAND • New 10,250-SF ground-up construction of an Asian restaurant which incorporate three full-sized kitchens within one with Chinese, Vietnamese, and Dim Sum fusion. Each seats 500-patrons and has high-quality fixtures and finishes including chandeliers, stone flooring and detailed millwork. Full-service restaurants with banquet facilities, food court outlets, industrial kitchens, and bars.

DOWNTOWN • This 15,000-SF project on the ground-level of the 300 Milam Parking Garage involved the removal of paving, installation of underground utilities, and pour back of slab on grade. Full MEP systems were installed including a complete commercial kitchen with industrial exhaust hoods that were required to be vented through the parking levels above.
