

# MUNICIPALITY

**HORIZON**

Project Name

## George H.W. Bush Community Health Center

Harris County • Precinct 04

Horizon was awarded this remodel which includes a two phase renovation for a 24,500-SF Community Center. Phase I-consists of the renovation of the 1960s-era facilities façade with materials which relate-well to the neighborhood's nearby Barbara Bush Branch Library. Phase II-includes the reconfiguration and enhancements of the interior for better circulation in the lobby, administrative spaces, the exercise facility and gymnasium into a multi-purpose room with stages, ADA compliance upgrades in restrooms including plumbing fixtures, remodel of a commercial kitchen into a catered-pantry with new appliances; as well as, updates to the mechanical systems and finishes. Additional improvements on the site will include accessible walking paths, benches, landscaping, and a new memorial dedicated to former President Bush.
