The 125-seat DeLuxe Theatre Auditorium's interior and exterior has been totally redeveloped, renovated, rehabilitated, and preserved. In collaboration with the 5th Ward Community Redevelopment Corporation, the City of Houston, and Texas Southern University — one of the first movie houses for African-Americans — the DeLuxe Theater/Auditorium was restored to its original 1930's Art Deco exterior with a new theater and 15,000-SF auditorium. The facility includes a breathtaking proscenium wood theater, state-of-the-art sound and lighting systems, modern lobby, concessions, box office, art gallery, historical museum, storage areas, and other spaces reminiscent of the Art Deco period. The project was honored with the Good Brick Award • with the HBJ Landmark Award in the Rehabilitation-Renovation Category.
