

MULTI-FAMILY

HORIZON

Project Name

University Towers

Owner/Client

Texas Southern University

University Towers features two 7-story dormitories which accommodate 800-residents in a double occupancy/shared room environment. Every room offers a bed, desk, chair, drawers, and a full-size closet for each resident. This tower-style dormitory has multiple laundry facilities, community HUBs with engaging entertaining lounges, as well as multiple study areas and computer nooks. University Towers features a cafeteria with food court, and an outdoor patio and terrace.
